

I Am American by Adelene Ellenberg

I guess I got me THE
zombied-out, never-been-slapped-upside-the-head-
lost-my-common-sense-shuffling-low-down-BLUES.....

It's slow-walking us (You 'n me together)
into
our modern-day-Green-New-Deal-kinda-Slavery
by following.....
the slippery path.....eels, eel-skins flapping, tongues burning.....

(But YOU knew the Socialist Democrats are secretly Communist.....)

Ponder it.

History.Is.Relevant.Again

Time for faith.
Time to talk again.

Do I Daresay? Be American Again.

Beware the sneaky indoctrination of our children and THEIR children....

That's how BOTH the Communists AND the Nazi/Fascists got control over time
overcame their societies
turned everything upside down
to punish those
they disagreed with, were jealous of.....
using Pure Evil
of soul-sucking ideas and emotions, along with heroin and fentanyl
instead of
just leaving alone
our God-given true Freedom under our Constitution and Bill of Rights

We The People Are Ready
WE THE PEOPLE SAY

GOD BLESS AMERICA

We gonna be awright.
